TRANSFORMING THE LIVES OF WOMEN

Our Stories: Morgan Fain

"No good thing will He withhold from them that walk uprightly!" Psalm 84:116b

My name is Morgan Fain, and I grew up in High Point, North Carolina. I have been through multiple treatment centers, both secular and Christ-centered. I was taught early in recovery that my identity is that "I am an addict". Living with this deceptive label placed upon me, I continued to carry that identity and act out in it for years. I always thought my reason for using drugs was because I enjoyed the feeling, and while there is some truth in that statement, the underlying reason was because I didn't know who I am IN CHRIST.

Due to trauma trying its absolute best to define me, I used drugs to mask who I wasn't. My parents' divorce, opening a door to a spirit of rejection, doesn't define me. Sexual promiscuity, opening a door to perversion and lust, doesn't define me. Physical abuse, opening a door to worthlessness and massive walls of protection being built, doesn't define me. My Father God, creator of every fiber of my being, THAT defines me! HE defines me!

Prior to Hannah's Haven, there was still a veil blocking this revelation for me. It wasn't until I was given what I believe to be my last chance to either overcome addiction, or die in it, that God literally tore that veil from me revealing the truth. By His grace, He allowed me to truly experience what life would be like apart from Him, and from that point on, I knew I would do whatever it takes to never leave His side.

I used to question God's goodness because as a young child I experienced so much pain and I did not understand His sovereignty. As I continue to mature in the knowledge of His nature and goodness, He is preparing me to "return the favor". In John 13:14-15, Jesus commands His disciples: **"If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have"**

given you an example, that you should do as I have done to you." I am honored, to not only have been hand-picked by the King of Glory, but to also have the desire to surrender everything to Him. I am determined to serve and follow Him all the days of my life!

The first phase of the program was a constant journey of continual freedom, sacrifice, surrender, and healing. I entered the second phase after one year, and I am learning more and more each day how to live from a new place in Christ.

"My Father God, creator of every fiber of my being - THAT defines me! HE defines me!"

Here are just a few of the amazing things that have happened since I started trusting God to completely guide my steps: I have an amazing mentor, former Hannah's Haven graduate, Becca Pearman, I am a proud member of Grace Community Church in Greensboro, I have been through Financial Peace University, facilitated by Hannah's Haven Board Member, Jeff Mitchell, and I am now debt free! I have recently been elected Hannah's Haven's newest board member, I am privileged to live in the Transition House with my Hannah's Haven sister, Hannah Grimesey, I am blessed with a job at Kayser-Roth Corporation, where in less than a year, I have been promoted to an office position. And because God didn't JUST save me — my family continues to be healed and restored by His great power and unconditional Love!

I am grateful for this journey and cannot wait to see what doors the Lord opens next as I continue to live a fully surrendered life for Him!

Bonnie Harris

Founder and Director

So many of you ask, what are your needs? How can I help? What can I do?

Our biggest need in this season is PRAYER. So if you are reading this, please take a moment and pray. Pray for the women in Hannah's Haven, pray for the staff, pray for the new house being built and anyone who has a part in it, pray for Hannah's Bridge and all of the staff, and please pray for me.

1 John chapter 5 says that we can have CONFIDENCE when we approach God that if we ask ANYTHING according to His will, HE HEARS US. I believe that and I am thankful for that promise.

Thank you for partnering with us and thank you for the prayers!
