

Fresh Wind

A Healing Conference for Women in Recovery

Come join Hannah's Haven for a fresh wind of the Holy Spirit. It's time to refuel and be filled! We're believing God for an outpouring of His Spirit to walk in the call He has for your life with greater freedom.

SPEAKERS:

Stacy and Casey Long are the proud parents of six amazing sons. Growing up in a non-charismatic church in Southern California, they attended a Randy Clark meeting in 2003 where they had a radical, life-changing encounter with the Holy Spirit. Stacy, Casey and their boys have been missionaries and conference speakers, living overseas and ministering in over 30 countries. Stacy and Casey have a calling to birth churches and a heart for discipleship and modeling the church as a family on mission. Stacy and Casey planted River House, originally called Catch the Fire Fayetteville, in the summer of 2013 in response to the heart of the Father to bring revival to His beloved and strategic city.

Pastors and Prophets Jay and Jennifer Peikert of Declaring the Truth Ministries are licensed and ordained ministers. They both have an associate's degree in Theology from In Christ International Bible College. They began traveling to other countries in 2015 sharing the Gospel, evangelizing, setting the captives free, and seeing signs, wonders and miracles manifesting in their meetings. God has called them to the nations. They have been to Mexico several times, to Chile and Peru multiple times, to Brazil and to Honduras several years in a row and to Japan. God has opened up the nations to them as well as the United States to preach and see the miraculous happen. Their hearts are to bring a shift and to revive hearts wherever they go. Their goal is to share the love of Jesus everywhere they go and to teach people the reality of Jesus and become all they are called to be in Christ.
